Application for Safety, Mobility, and Exercise/Wellness Products

Individuals with MS can experience difficulty with balance and coordination, fine motor skills, and mobility. The MSAA Equipment Distribution Program offers clients a selection of products designed to improve safety, mobility, activities of daily living; along with exercise/wellness opportunities. MSAA provides these products at no charge to individuals with MS who qualify for assistance.

Many of the items offered through this program are specially adapted to help meet the needs of the physically challenged. Additionally, the exercise products are designed to help individuals participate in low-to-moderate level wellness activities.

MSAA encourages clients to make a careful selection based on their appropriate needs, as there are no exchanges or returns. If you have questions, please call (800) 532-7667.

Step 1: INCOME ELIGIBILITY and FINANCIAL NEED

IMPORTANT UPDATE:
Under standard program guidelines, MSAA requests applicants to list their yearly family income based on their most recently filed income tax form. The listed income is compared to the chart below, which triples the federal poverty guidelines, to determine financial eligibility. However, MSAA recognizes your current financial situation may have been negatively affected by the recent COVID-19 pandemic. As a result, we are currently accepting two options for income eligibility:

Option 1. Sudden Financial Need

Option 2. Standard Income Eligibility

Option 1. If your financial situation has been negatively affected by the COVID-19 pandemic and you are currently facing economic hardship, please complete and sign below.

☐ I (the applicant) hereby certify that I am experiencing sudden financial hardship as a result of the COVID-19 pandemic and require MSAA’s assistance for a product offered in the Equipment Program.

Please explain how your financial situation has changed: ____________________________________________

Option 2. If your financial situation has not been affected by the COVID-19 pandemic, please list your family income and the number of people living in your household. Please check the chart below to see if your income falls below the listed level. If it does, please sign below to confirm.

My Yearly Family Income is: $___________________. The number of people in my household is: ___.
